Rooftop Burger

Dear Customer, please note that we do not specialise in fast food. On full capacity we can seat 178 people. Our restaurant operates on TWO floors from two kitchens, each with their own specialties.

Our meal preparations work on a queuing system as per order received (irrelevant of the simplicity of your order, no slips will jump the queue)

On an average day, your meal will take between 10-25 minutes to reach your table, on very busy days your meal can take 45-60min to reach you.
